

USAF Declass/Release Instructions On File

6 May 1952

Mr. Edward T. Dickinson
Vice Chairman
National Security Resources Board
Washington 25, D. C.

Dear Mr. Dickinson:

Reference is made to your letter of 10 April 1952 regarding the establishment of official liaison between personnel of the National Security Resources Board and personnel of the Directorate of Intelligence, USAF.

I have carefully considered your request and it appears that the proposed procedure would not be in consonance with Section 102 (d) of the National Security Act of 1947.

However, at the first opportunity I shall discuss the matter personally with General W. B. Smith, Director of Central Intelligence and shall communicate with you further.

I can assure you of the desire of the Air Force to cooperate in every respect with the National Security Resources Board.

Sincerely,

/s/JOHN A. SAMFORD
Major General, USAF
Director of Intelligence
